VACCINATION RESOURCES FOR PRIMARY SCHOOLS

The Suffolk and Northeast Essex Integrated Care Board has produced a bedtime story-style online resource to help parents and carers help explain to children what happens when they go to have their vaccinations. The 'vaccination book' will be made available via an email link to any parent who requests vaccinations for their children. You can view the book [here](#).

PARENT/VISITOR CODE OF CONDUCT

We have recently updated our Parent/Visitor Code of Conduct and this has been ratified by governors. This can be found on our website [here](#) if you would like to have a read.

ADHD AWARD UPDATE

This week we had over 100 teachers attend a training session delivered by Mrs Layzell. As part of our school partnership with other schools in the area we will be applying for the award and having this training will help us start ticking off the requirements. A big thank you to Mrs Layzell for providing this important and useful training.

WORLD BOOK DAY

It was lovely seeing all the children in their costumes on Tuesday. They took part in various activities throughout the day and maintained their usual levels of enthusiasm and focus despite the costumes and wet weather! Well done everyone!

BUILDING WORK

We met with one of the project managers from Troy homes this week and hopefully by the time you receive this flyer the traffic lights will be gone! I know this has caused lots of issues with parking and at busy times this has been tricky.

Troy homes will be keeping in contact with us and providing updates and I will pass these on to you.

We hope you have all by now had chance to review the email sent on Monday following our AGM.

Unfortunately, no one has been nominated to take over the role of Chair for the PTFA and therefore, the PTFA committee, as we know it, is dissolved. The PTFA will be "dormant" for the time being.

It is impossible to run events and plan expenditure without someone leading the team and therefore there are no fundraising events planned for 2024 and future expenditure in the school is on hold.

The fundraising that has taken place in previous years has meant school trips such as the panto and beach have been subsidised by the PTFA, thus reducing the cost for you as parents. Without the committee the PTFA will not be in a position to continue to do so and costs of these trips will increase.

If, on further reflection, you believe you or a group can step forward and take over the PTFA then please do reach out. It will be a huge shame for the children not to experience these fun events and raise such important funds for our school.

For now, a thank you for all the support you have provided the PTFA committee over the last 5 years, we hope that someone will step forward and we will be back!
