## Friday Flyer

22/3/2024

### MINI MARATHON

We will be taking part in the Mini Marathon after Easter. All the children will have a go at running 2 miles and will get a digital certificate for attempting this. Children from Cherry/Apple and Birch will do laps of the field. Our older children will be running on the Flitch with plenty of adult support! As part of this event, we would like to raise some much needed money for school. We will be asking for the children to collect as much sponsorship for this event as possible. Those raising the most in each class will get a special award and the class with the highest total amount will win a prize. The money will go towards creating some calm, social spaces outdoors as part of OPAL. The event will take place on the 25<sup>th</sup> April (reserve date in case of bad weather 30<sup>th</sup> April). Sponsorship forms should have arrived with this edition of the flyer. Please let us know if you require a paper copy.

### MATHS SUPPER CLUB

The Wholesome charity are working with Multiply (Essex Adult Education Services) to support parents with maths and help them understand their children's maths homework as so often

we hear that parents didn't learn maths the same way that their children are being taught. We have the opportunity to organise a 'Supper Club' where the family can enjoy an evening meal. There will be games for the children while the parents can either take part in the informal (not sitting at desks) talk about maths or just sit and chat - there is no obligation to join in with the maths, the families can just come and have dinner if they wish. This is free to all families. At the moment, we would just like to find out if this is something our families would be interested in. Please complete this survey ASAP to let us know your views. ## MATHS MORNING

We are looking forward to seeing lots of you for our Maths morning on the 24<sup>th</sup> April. Please can all parents complete this [SURVEY](#) so we have an idea of numbers. This will also speed up the signing in process. There will be an introduction in the hall at 8.50, where we will give you an overview of maths at FPS and you are welcome to ask any questions. Parents will be able to visit their child(s) class to participate in maths activities. If you have more than one child it will be possible to see all classes.

Next week the children will all have an opportunity to do some art with a visiting artist from our wonderful

parent community. Look out for some photos of this on Tapestry. Thank you so much to the parents who have volunteered. I am sure the children will get a great deal out of the opportunity.

**Don't forget to come and visit our Art Exhibition on Thursday** afternoon **between 1.30 and 3pm**. We will be serving tea and coffee and you will be able to look at all the art on display and sketchbooks for all children will be out. There will be two children from each class who will talk you through the learning as well.

Please click on the link to choose clubs for the summer term. A separate post will be added to Tapestry for Cooking Club and Super Star Sport clubs. The survey will close at noon on Monday. [Summer Term Clubs](#)

## SWIMMING

Unfortunately, due to circumstances beyond our control it is looking increasingly unlikely we will be able to go ahead with our usual amount of swimming lessons this year. We may be able to run lessons for a couple of weeks but will update you as soon as we know more.
