### MINI LONDON MARATHON 24

IN SCHOOLS

The children are all very excited about the mini marathon next week. I talked

to them about this in assembly this week and explained how this will work. Each class has a different start time and extra adults to run with them. We will be taking lots of photos at the finish line so look out for those! We are hoping it will stay dry but if not we do have a reserve date.

Please keep collecting any sponsorship money – there will be individual awards for the child from each class that raises the most and a prize for the class that gets the highest total amount. We are hoping the money can be used to create some calm, social outside spaces.

### MATHS MORNING

We are looking forward to seeing lots of you for our Maths morning on the 24<sup>th</sup> April. Please can all parents complete this [survey](#) so we have an idea of numbers. This will also speed up the signing in process. There will be an introduction

in the hall at 8.50, where we will give you an overview of Maths at FPS and you will be welcome to ask any questions. Parents will be able to visit their child(s) class to participate in Maths activities. If you have more than one child it will be possible to see all classes. **We kindly ask for younger siblings not to be brought along.**

### SUMMER CONCERT

In a change to our usual concert we will be holding a whole school concert on Thursday 13<sup>th</sup> June at 1.45pm. We also have a reserve date of Tuesday 25<sup>th</sup> June at the same time. More details to follow but please make a note of the date as we would love to see you all there.

### HOLIDAY CLUB

Please find attached the flyer for the May half Term Super Star Sport holiday club which will take place in school. We have been extremely pleased with the positive feedback about the sports

coaches and would recommend the club to anyone needing some activities for their children over the holiday.

### TIME CAPSULES

Our School Parliament and Eco Committee children from Key Stage 2 took the time capsules to the new Mulberry homes site this week and they have been buried there. All classes thought hard about items they could place in them. A great learning experience for all! Thanks to Miss Smithyes for organising this and taking the children.

We have been successful in obtaining a grant to fund a new outdoor area for Year 1. We will be able to create a fenced off area outside the classroom so the children can have their own space to take part in outdoor learning and most importantly-play! We will keep you updated about the plans but are very pleased to have received this money at a time when budgets are very stretched. A huge thank you to Mrs Campbell for putting together the bid for this funding.
