

Felsted Primary School

Friday Flyer

5/9/2025

Here we go again – the summer break flew by! It's wonderful to be back and to see the children settling so well into their new classes. We're really pleased with the positive start they've made.

A big thank you to parents for supporting us by ensuring children are in the correct uniform – it really helps set the tone for a successful year ahead.

EARRINGS

Children are not permitted to wear earrings during PE lessons. If your child cannot remove their own earrings, we ask that they come to school without them on PE days. If you are considering having your child's ears pierced, please try to arrange this at the start of the summer holiday. This allows enough time for healing before the new school year begins. Unfortunately, if earrings cannot be removed, children will not be able to take part in PE. As PE is a statutory and vital part of the curriculum, we want to ensure all children are able to participate fully.

ATTENDANCE

Please remember to log any absences using the **Studybugs app**, as this links directly to our registers. If we have not received a reason for your child's absence by **9:15am**, you will receive a text reminder asking you to let us know. If you are not yet set up on Studybugs, please click on the link to get started.

NEW ENTRANCE

The new gate has now been installed and some of the tarmacking has been completed. However, the car park itself is not yet finished. As soon as the work is completed, we will share further information with you, including details about how the car park will operate and the opening and closing times. Thank you for your patience while this work is being completed.
