

Felsted Primary School

Friday Flyer

11/9/2026

A very warm welcome to all of our new families. Our Reception children have made a fantastic start to school and it has been wonderful to see so many smiles this week. I have spent some time helping them settle into their new routines each morning, and they are already getting into the swing of school life. Thank you to parents for your support during this important transition. I will be back on the gate as usual next week!

TOYS

Please could I ask parents to ensure that children do not bring toys, squishies or fidgets into school. We have noticed an increasing number of these items being brought in, and children are beginning to organise swaps, which can sometimes lead to upset or disagreements.

Unfortunately, we cannot guarantee that personal belongings brought into school will not be lost or damaged. In addition, these items can sometimes cause difficulties for children who do not have similar toys.

If your child requires a fidget to support their learning, please be reassured that we have a range of suitable resources available in school. Staff are aware of the children who need access to these and will ensure they are provided when required.

ATTENDANCE

This week Bruno will be going to - Elm Tree - well done! Their attendance was 99.8%!! Weekly average for attendance this week was 97%.

CLASS CERTIFICATES

Well done to all of the children who received an award from their teacher this week!

Brrrilliant – well done! ☺

The September issue of Puddle Magazine is now available, packed with family-friendly ideas, local activities, events, days out, crafts and inspiration for the new school year.

STREET TAG SCHOOLS PROGRAMME FOR SCHOOLS

Epping Forest District Council, in partnership with Active Essex and Street Tag, are launching a free, app-based physical activity programme for primary and secondary schools from **Monday 5 October 2026 to Monday 30 November 2026**, funded by Active Travel

England. Street Tag turns everyday walking, cycling, running, and wheeling into a fun game where families earn points for their school. The programme promotes active travel, healthier lifestyles, and community engagement, with prizes and rewards available.
