

Felsted Primary School

Friday Flyer

1/12/2023

We had set the dates of these earlier in the year but wanted to make sure you all had these in your calendars. These will all be in the school hall, starting at around 9am:

- CHERRY EYFS-5th July
- APPLE Y1- 14th February
- BIRCH Y2 – 26th March
- MAPLE Y3 – 1st February
- ELM Y4 – 14th March
- LAUREL Y5 – 17th January

Year 6 do their own performances in the summer term so we will keep you posted about that nearer to the time.

WINTER WEATHER

We have certainly noticed the temperature drop this week! Please can you make sure your child has a warm coat for school. Hats, scarves and gloves would also be recommended in this colder weather.

I am keeping an eye on the MET office weather forecast but currently no snow is forecast locally. Just to let you know if there was a heavy fall of snow at any point we would do our very best to open but might start later or close depending on the circumstances. Any decisions would be made as quickly as possible and in the interests of safety of both children and staff. We would inform you of this by text as soon as we could.

BIKEABILITY/LEARN TO RIDE

It has been super to see the children taking part in Bikeability and Learn to ride this week. Y5 and 6 have been out on the local roads and worked on key road safety skills. Year 2 have had the opportunity to develop confidence with riding a bike. It is great that so many children have signed up for this as it is a brilliant skill to have!

WALK TO SCHOOL LEADERBOARD

SMART WATCHES

Please note smart watches are not permitted at school. This is clearly stated in our Uniform Policy.

AFTER SCHOOL SPORTS CLUBS

We will no longer be using Premier and are looking to set up new after school clubs using a company called Super Star Sports. They are keen to offer clubs from reception to Y6. Please complete the survey to give us your views on what they can provide so that we can get this in motion ready for January. [Super Star Sport Survey](#)

ILLNESS

There has been a lot of illness over the last few weeks. Many children have been unwell with tonsillitis and Strep throat. I am also aware that some cases of Covid 19 have been picked up. Just so you know there is no requirement for your child to test for this and they are able to attend as long as they are well enough. The latest guidance on the NHS website states:

If your child has mild symptoms such as a runny nose, sore throat or mild cough, and they feel well enough, they can go to school or childcare.

ATTENDANCE

This week Bruno will be going to- MAPLE TREE- well done! Their attendance was 95.3%!!

Weekly average for attendance this week was 91%. As you will be aware there has been a lot of illness this week!
