Essex Libraries' Winter Reading Challenge would to get as many children involved as possible!

As you may already know, the challenge is inspired by the famous

Summer Reading Challenge, and this year the theme is endangered animals. Children aged 0-11 receive a booklet full of various activities involving literacy and creativity, which they can complete to earn stickers and have fun while learning!

Children can also learn about endangered animals as they go along by following the [challenge storyline on our YouTube](#), where they will travel around the world with Lyra the penguin.

- Here is a link to the website where families can find out more information about the challenge:

Children can take part in the Winter Reading Challenge until Saturday 3 February.

MEETINGS AND DISCUSSIONS WITH PARENTS

We are here to help and are keen to support your children by working with parents. We would like to ask that meetings are booked in advance wherever

possible and that staff are treated in the same respectful way we would treat you.

At our school we pride ourselves in positive, constructive relationships between staff and parents and it is important that this continues. Therefore, please note that in the extremely unlikely event of verbal abuse, staff will end the conversation and refer the matter to the Senior Leadership Team

NEW POLITE AWARD

I have told the children today about a new award that will start next week. This award relates to manners and politeness and will be chosen by our very hard-working Learning Support assistants. They will be looking out for a child who stands out for their manners, considerateness and politeness. The child will receive a certificate in Friday assembly and also their class will hold the politeness cup for a week

Kids With Bricks after school club will run 3:15- pm - 4:00pm on Thursday (last session 15th February). This club is open for Years 3-6. As well as completing a range of exciting educational challenges, children will have the chance to work both individually and in teams. As an added bit of fun, children from the club will also take part in a weekly inter-school competition where parents can vote for their favourites and points

are won for the national leader board. The club costs £3.99 + VAT per child per session and is paid for termly in advance. All club places are reserved and paid for online. You can book here www.kidswithbricks.com. Any problems please contact bookings@kidswithbricks.com or 01633 383211.

LONG HAIR AND UNIFORM

We are noticing a few items of jewellery are creeping in and also that some children are not keeping long hair tied back. The statements below are taken from our School Uniform Policy which you can read in full on the school website [here](#):

- In accordance with the Local Authority requirements on health and safety, we do not allow children to wear jewellery. The exceptions to this rule are small, simple studs in pierced ears, small objects of religious significance or wristwatches.
- "Smart" watches are strictly prohibited.
- Mid to long length hair should be tied back at all times.
