

# Felsted Primary School

## Friday Flyer

23/1/26

### THIS SCHOOL IS **NUT FREE**

**THANK YOU**  
for keeping our school safe!

### **NO NUTS!**

A reminder that children should not be bringing any nuts or food containing nuts into school for either snack or lunch. We are currently a nut free school and have some children with nut allergies so need to ensure their safety around food.

### **GOOD BEGINNINGS**

Places are available on Good Beginnings courses taking place in the summer term. This 8 week course about autism is aimed at parents and carers of children in reception, or younger. No diagnosis required. This is suitable for parents and carers looking for the opportunity to connect with other families and talk to professionals from Education and Health:

- Tuesday Mornings in Harlow and Witham
- Thursday Mornings in Colchester and Canvey Island

Express an interest via [this link](#).

### **ONLINE SAFETY**

Thank you to the parents who attended last Fridays quiz and workshop. I have sent out a survey to see whether parents would like further support with this. If you could please respond so we can plan for any support you may need: [Online Safety for Parents – Fill in form](#)

### **MEDICINE**

We have noticed that many children are currently unwell, and our school supply of Calpol and Nurofen is nearly depleted. To ensure we can support our children effectively, we kindly ask that parents either provide measured doses for their child or bring in a bottle of medication to keep in the office.

### **POLITE AWARD**

**CHERRY:** Harper

### **JIM BEAR**

**BIRCH:** Grayson and Barnaby

### **GYMNASTIC SUPERSTARS:**

Barnaby, Jos Beatrice, Millie MacD, Zoe, Elliott B, James H, Lily M, Finn R, Sophia and Arabella

Brrrilliant – well done! 😊

## BIRDS

Mr Fleuty has now placed all the bird feeders around the school. Each class is responsible for one. The children will be looking out for birds eating all the treats we have bought them! Thank you to the PTFA for funding this brilliant project.

## SENCO COFFEE MORNING

Don't forget there will be an informal catch-up session for parents with our SENCo Mrs Coote on the 4<sup>th</sup> of February. This session is for anyone to attend so please come along if you would like to. A new service called SPACE will be introducing their offer to us

with a short presentation and opportunity for Q and A afterwards. SPACE stands for Support for Parents and Carers in Essex. It is a new service designed to provide advice, guidance, and support for parents and carers of children and young people with SEND aged 0 to 25, funded by the Local Authority. SPACE is run by a team of peer educators, parents and carers all with lived experience. They understand the challenges and triumphs first-hand. Their role is to support families navigate the process, whatever stage they're at. Also, Essex Family Forum are coming to introduce what they do.

## NEW ENTRANCE

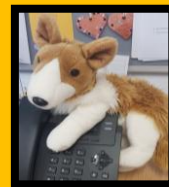

We are currently not using the new entrance as the car park is still under construction. However, we have decided to plant some trees in this area, which will provide shade in the coming years and enhance the entrance to our school. The trees are small saplings and will be surrounded by protective guards. To ensure their growth, we will be keeping the children away from these areas until the trees become a bit larger.
