Friday Flyer

19/1/2024

This week we were very lucky to have workshops for Key Stage 2 and a whole school assembly from the Dogs Trust. These sessions focused on the theme of staying safe around dogs, and covered topics such as responsible dog ownership and

building confidence around dogs.

A Happy New Year to you all. The PTFA hope you all had a lovely Christmas and are settling back into the school term.

You may recall prior to the Christmas break that we let you know of some changes to the PTFA team. Both our current Chairperson, Sue Powell, and Vice-Chairperson, Jennifer Ivey, will be stepping down. We again would like to pass on our heartfelt thanks to both Sue and Jennifer for all their hard work over the last few years.

With this in mind the PTFA will be holding a **AGM on Thursday 29th February between 2pm and 3pm.** If you feel that you have the time to join our PTFA team and take on one of these roles, a separate email has been sent out setting out the formal job description and nomination form for you to complete and return.

We are a small hard-working team who organises and runs events throughout the school year to enrich the children's experiences and support the school.

We really look forward to welcoming new members to our team.

OPAL NEWS

This week we managed to open an exciting new zone for the children. I am sure you have probably heard all about this but just in case you haven't the wheel zone is now open. Children have loved the opportunity to whizz around in the new zone!

Thank you to all parents who have booked their parents evening slot so promptly! For once it appears technology was on our side and the new online booking system seems to have worked really well. If you have not yet booked please do this

through the Teachers 2 Parents App.

VISITOR

You may have heard we have had a visit from our previous headteacher – Mr Garside. He was so pleased to be welcomed by the children and was impressed with all the positive things going on in our school.

ATTENDANCE - SCHOOL ADVICE AND INFORMATION

I have been pleased to see attendance is improving this term and not so many illnesses are around at the moment. Hopefully this will continue as

the term goes on. Below are two links I have been asked to share with you that may be useful to you:

- [A parent's guide to keeping kids healthy this school term](#)
