PARENTAL VIEWS

It's that time again where we will be collecting your thoughts about our school. You will have received an email with the link which I have also added again below. The survey is open until the

24th of February. We kindly request that you provide respectful and constructive feedback, as this will enable us to use your insights effectively to enhance our school community. Please refrain from submitting unhelpful personal comments, as our aim is to gather actionable responses that can guide our progress.

If you have any individual matters or concerns that you wish to discuss, please do not hesitate to address these with your child's class teacher or the headteacher. We value open communication and are here to support you and your family.

Thank you for your continued support and engagement in our school improvement efforts.

[Parent Survey 2026 – Fill in form](#)

As we approach half term, I wanted to take this opportunity to thank you for your support during this term. I appreciate that there has been a significant amount of illness since Christmas, and I recognise the value parents

place on keeping their children in school as much as possible. Despite these challenges, our attendance remains on track. I also want to express my gratitude to parents for informing us in a timely manner about any absences. The use of Study Bugs has been highly effective, making attendance tracking much easier for Mrs Turney and me.

Thank you once again for your continued support!

FREE WORKSHOP

Please find attached details of dates for a free workshop for parents around Misinformation, Community and Online Safety from a company called Connect Futures. Thank you to those parents that responded to the online safety survey I sent out – I will book a session for this and send out details soon.

ART EXHIBITION

We would like to remind you that our annual Art Exhibition is scheduled for the afternoon of **Friday, 27th February**. The hall will open at **2:00 PM**, and selected artists from each class will be available to discuss their artistic learning with you.

As you can appreciate, it is not feasible for every child to be present in the hall during

the exhibition. In order to manage the event effectively, we cannot accommodate the entire class at once, and coordinating timings and groups for all parents would be logistically challenging.

Thank you for your understanding, and we look forward to seeing you there!

SPORTS NEWSLETTER

Next week, you will receive the sporting news for this half term. Although it has been a short term, there have been numerous events. I would like to extend my gratitude to Mrs Campbell and all the staff involved in organising and taking the children to these events.
