

Felsted Primary School

Friday Flyer

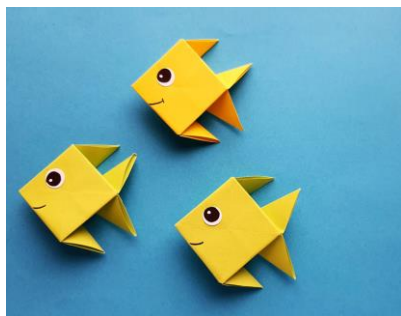

2/2/2024

At Felsted Primary School we value having regular communication with our parents and Tapestry has helped us to improve the way we can communicate with each other. Following a recent staff workload survey concerns were raised about the amount of time responding to and checking messages received on Tapestry were taking. In light of this we will be reviewing how we use this

communication tool. Tapestry is used to celebrate the children's learning and to give parents an insight into the curriculum and experiences for their child. We would like to suggest the following:

- We ask that any issues around behaviour/friendships are discussed face to face - please either arrange a meeting or call with the relevant member of staff by emailing admin@felsted-pri.essex.sch.uk or by calling the office
- We ask that any changes to collection arrangements/minor issues around belongings/lunch choices etc could be mentioned at the door when dropping children off. If this is not possible and you feel it is important please email admin@felsted-pri.essex.sch.uk
- We ask that if you have serious concerns that you have not been able to resolve with the class teacher - please email Mrs Collins on head@felsted-pri.essex.sch.uk

Our class finalists will be giving their speeches in assembly this afternoon. The children have worked very hard on this and it is wonderful to see how passionate they are about the theme – **No Outsiders, All Different, All Welcome.**

Once the winning pair have been selected, we will share the news on Tapestry. They will go on to compete against children from other schools in the DEEP partnership in March.

BUILDING WORK

The building work mentioned in the flyer last week has been delayed. They are now looking to start work on the 12th February. Their estimated finish date for the site is the end of March 2025.

A quick reminder of the upcoming **PTFA AGM** on **Thursday 29th February** **between 2pm and 3pm.**

You will all be aware of the fabulous events that have been held in recent years, who can forget the Fireworks display last year! The funds that these events raise enhance the children's experience in school. Including contributions to the Panto, trips to the beach, Father Christmas gifts, Kings Coronation gifts and so much more. To be able to continue with these events, there needs to be a full PTFA in place. An email was sent out on the 18th January setting out the roles available and if you feel you have to time a nomination form for submission.

Please do all consider if you have time to invest into the PTFA, it really is a great team with the sole focus of enriching all the children at Felsted Primary School's learning experience.

Thursday February 15th will be a non-uniform day - £1 contribution towards funds for whole school trips.
