

Felsted Primary School

Friday Flyer

14/3/2025

This week in assembly our School Parliament launched our Healthy Snacks Poster

Competition. We would like to change how snacks run in school and widen the options available for pupils whilst making sure the children are having a healthy snack.

We would like the children to design a Healthy Snack poster to be displayed around school that explains and encourages the importance of having a healthy snack. They could also include some suitable snack ideas.

Please can the poster be designed on A4 paper. The children can be as creative as they like and add anything to it. We are looking forward to seeing the children's ideas.

The closing date for entries is **Friday 4th April** and the winner will be announced next term. We will then be looking at all the children's entries and the School Parliament will use these to help us design our new food policy.

****At present our snack policy continues to be fruit or vegetables until the changes are made. Thank you**

Many thanks to those who have already completed the survey! We appreciate your feedback and would love to gain a well-rounded view of our school.

If you haven't yet responded, we'd be grateful for your thoughts on what the school is doing well and how we can

improve our provision. Your input is invaluable in helping us grow and enhance our community.

The survey closes on **Thursday, 3rd April**. Please click [here](#) to share your views. Thank you for your time and support!
