## Friday Flyer

26/4/2024

### ECO and OWL Week

This year for OWL/Eco week the children have been looking at up-cycling. They had a workshop where they made notebooks using old maps and scrap paper. During the week they had the chance to

up-cycle old clothes ready for our fashion show on Friday which was a brilliant end to the week. Hopefully you have seen lots of photos of these activities on Tapestry. We were really impressed with all the hard work the children put in. the children learned a lot from these activities.

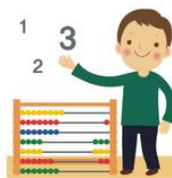

### MINI MARATHON

We completed our mini marathon on Thursday this week. What a brilliant achievement! The children were amazing and I was so proud to see them giving this a go. Not only did they complete the distance they also cheered on and encouraged their classmates beautifully. This was wonderful to see. We really appreciate our parent helpers for their support at this event. Please could we now ask for any sponsorship money to be sent into school along with the form sent out to you. we would like to collect this in by **no later than Friday 3<sup>rd</sup> May** please. We are looking forward to finding out who has raised the most!

### MATHS MORNING

We had nearly 100 parents joining us on Wednesday for our Maths morning. It was lovely to see so many attend. Miss Hart gave a really useful overview of how we teach Maths and parents were able to join in with lessons afterwards. The children really enjoyed having visitors. We greatly appreciate parents giving up their time for this valuable insight into their child's learning. Many thanks to Miss Hart for organising this and to the teachers for welcoming parents into their classrooms.
