PEER REVIEW AT FPS

Yesterday two heads from DEEP (Dunmow Excellence in Education Partnership) spent the day at our school, looking into how we support our more able students and manage

behaviour. They observed classes, talked to staff and children, and checked out some children's work. We were pleased to receive very positive feedback about our teaching methods and the inclusive atmosphere we've created for all learners. They also pointed out a few areas where we can improve, which will help us continue to grow. Overall, it was a great visit that highlighted our commitment to delivering high-quality education and the excellent behaviour of the children and consistent approach of the staff.

SPRING CONCERT MUSIC SURVEY

Your feedback has been invaluable in knowing what went well and what improvements can be made for future concerts.

Improvements

- Timings. We completely understand that the timings of the concert could have been at a time closer to the end of the school day. This is something that we will take into consideration next time.
- Song introductions. We really like the idea of the children introducing their songs before their performances.
- PTFA Refreshments. We agree that it would be lovely to sit back and enjoy the show with a refreshment. This is something we can look into next time.
- Tickets. We will aim to gather ticket information on Microsoft Forms in the future.

What went well

- Being able to hear the students singing.
- The information on where to sit to see your child.
- The children were enthusiastic and were having lots of fun.
- Seeing all of the children singing together.
- Everyone could take part.
- A lovely, happy event.

Thank you for taking the time to give your feedback.

WALK TO SCHOOL LEADERBOARD

- 1st - Laurel
- 2nd - Birch
- 3rd - Apple

POLITE AWARD

OAK: Amelia

SWIMMING POOL

Mr Fleuty and I have been awarded our Pool Plant operator certificate after completing our assessments this week. The pool is looking good and

we are hoping to start the auto dosing system running over the Easter holidays. Having this system means we can use the pool for longer periods so we are looking at offering some sessions to pre-school children who are at Little Acorns and are hoping we might be able to run some after-school sessions too. As soon as we have more information we will be in touch.

CAR PARK UPDATE

We have recently met with the builders and it looks like the new car park and entrance will be ready now for September. This will work well for us as any disruption caused by the new entrance and gate will be completed over the summer holiday. I will keep you posted about this.

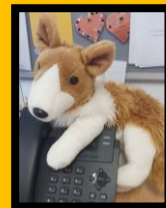

YEAR 6 SPORTS AMBASSADOR REPORT

On Friday 28th March Birch Tree were due to attend a dance show at Dunmow St Mary's. Unfortunately, due to a sickness bug and lots of absence they were not able to go. Instead, they performed it for Year 6 who said they loved watching the Y2 dance. They did the dance to 9 to5 by Dolly Parton. Birch Tree described the experience as fun, great, perfect and super! They worked super hard at their dance and had to train for 2 weeks!
