WELL DONE!

A big well done to our Year 6 children. They have been working on their SATs this week. The children have approached this with maturity and a positive attitude and should be commended.

SPORTS AFTERNOON AND PICNIC LUNCH

We are very much looking forward to seeing parents at our sports afternoon. It will be a lovely way to finish off this half term. Parents should arrive in school from 11.45am to find a picnic spot on the field. The car park will be open for you to park and you will need to make your way to the front entrance by the office. We would like all parents to arrive before 12 please as staff will not be able to man the gate after that. At 12:45pm, the children will return briefly to their classrooms to register, refill water bottles and have a toilet break.

Each class will take part in a carousel of events around the school field and playground. Parents are very welcome to move around with their child's class to spectate and encourage the children.

There will also be running races including parent and toddler races. After the events, children will be taken back to class. If we finish ahead of usual school timings, you are welcome to collect children for an earlier finish or stay for our Stay and Play and Frozen Friday event.

Please ensure your child comes to school wearing their PE kit, with a named water bottle and a sun hat. Sunscreen should be applied before school where appropriate. Please be aware that if weather conditions are particularly inclement, we may need to cancel Sports Day. A decision will be made by 10am on the day, and parents will be informed via Tapestry and Arbor if the sports afternoon needs to be postponed.

We look forward to sharing a fun and active afternoon with you and the children.

ATTENDANCE

This week Bruno will be going to Oak Tree - well done!
Their attendance was 100%!!
Weekly average for attendance this week was 97%.

SKIPPING DAY

Next week the children will all be taking part in a skipping workshop on Wednesday. I am sure the teachers will let you know in the weekly reminders but it would make sense for all the children to come in their PE kit on Wednesday. The skipping workshops we have had previously have been very successful and the children have really enjoyed them. Skipping ropes will be on sale after school if your child decides they would like to continue to develop their skills! Thank you PTFA.
