SWIMMING UPDATE

Mr Fleuty has been very busy making the final preparations for the pool, and we're now in the last stages of getting everything ready for the children to begin swimming sessions.

We are incredibly fortunate to have a fantastic team of parent volunteers who will be supporting us by helping to ensure the safety of children in the water during their sessions.

The swimming timetables have been uploaded to Tapestry. You can access them using the links below:

We are all very excited to be restarting swimming and are hoping the weather stays as lovely as it has been this week! Don't forget—all children will need a **swimming hat** for their sessions. This helps prevent hair from clogging the pool filters and also helps to keep children's hair drier during and after swimming.

Clubs are up and running again, and there's a fantastic variety on offer for the children!

If you missed the survey but would still like your child to join a club, please contact the school

office. Some clubs may still have spaces available—so it's definitely worth asking!

Unfortunately, following some incidents during Stay and Play last week, including rocks and stones being thrown into the pool and damage to several pieces of school equipment, we have made the decision to suspend Stay and Play for this week.

We have spoken to all the children about the importance of respecting school property and keeping everyone safe. Our aim is always to provide enjoyable and safe experiences for all pupils. We hope to resume Stay and Play on **Friday 9th May**, and we kindly ask for your support in reinforcing the message about treating school equipment with care and respect.

Thank you for your understanding and continued support.

CLASS AWARDS

Well done to the children who received special awards in celebration assembly today! 😊

POLITE AWARD CHERRY: Theo

JIM BEAR AWARDS

OAK: Yashika, Ella and Daisy
BIRCH: Iyla and Jacob

Brilliant – well done! 😊

TENNIS

We have been approached by a local tennis coach who is hoping to run an after-school tennis club here at FPS from September. He is going to run some taster sessions during the school day for our children this term and then see what interest there might be in a club. We will update you once we have more information.

VE day CELEBRATIONS

We're really looking forward to celebrating the 80th anniversary of VE Day as a school community next week! As you may already know, children are invited to come dressed in red, white, and blue. We kindly ask that, out of

respect, no football kits are worn.

The children and staff are excited to enjoy a traditional-style street party and play some games together. We've also created some special bunting that will be displayed on the school gate for parents and other members of the community to view and read.

We hope this will be a lovely and meaningful display, showing our understanding of the importance of VE Day and our desire to take part in both the celebration and remembrance.

SPORTS NEWS

Some of our KS2 children took part in a tennis event today at Stebbing Tennis Club. We will update you on how they got on next week but are very proud

of their effort and enthusiasm to represent the school. Thanks to the parents who supported us by taking groups to the event and to Miss Mitchell for organising them going, this is much appreciated.
