### ESSEX EARLY YEARS AND CHILDCARE PARENTS SURVEY 2025

Essex County Council is committed to meeting the childcare needs of families across the county. To help further understanding of parents experience of

childcare provision and how they access information that may support their family, they are conducting an annual (anonymous) parents survey. Here is the [survey link](#) for you to share your experience.

### VE DAY CELEBRATIONS

The children had a wonderful time on Thursday afternoon celebrating the 80th anniversary of VE Day. They enjoyed playing games and listening to music from the era, which added to the festive atmosphere outside. At the end of the afternoon, every child received a cake and a drink.

A big thank you to all the parents for supporting our red, white, and blue theme—the children looked fantastic! We're also very grateful to the PTFA for funding the cakes and bunting, and a special thank you to Miss Smithyes for organising the event and coordinating the beautiful, child-made bunting displayed on the gate.

Well done to the children for being so thoughtful and respectful in their discussions around VE day. I was really impressed at what they already knew in assembly on Tuesday.

**KEEP  
CALM  
AND  
DO YOUR  
BEST**

### SATS WEEK

**Good luck to all our Year 6 pupils as they take on their SATs next week!** We're incredibly proud of the hard work, determination, and positive attitude you've shown in the lead-up to these tests. Remember, SATs are just one part of your

learning journey, and all we ask is that you try your best.

Make sure you get plenty of rest, eat a good breakfast, and come in with a smile—you've got this!

## PARENT SURVEY MEETING

The Chair of Governors and I are keen to share the feedback you've provided through the recent survey. We will be holding a meeting to discuss the results on **Friday 13th June at 9:00am**, and we would love to see as many parents there as possible.

If you haven't already, please take a few moments to complete the survey [here](#) and let us know if you're able to attend the meeting. For those who are unable to join us, we will be taking minutes and will share them with all parents afterwards.

### ONLINE SAFETY - ROBLOX

Roblox has recently launched some new parental controls, offering more transparency and management over young people's accounts. The new features allow parents to block specific friends, as well as view more detailed insights into their child's activity.

Roblox has incorporated more real-time awareness that can be adapted depending on where parents feel most comfortable and can be adjusted as their child's digital experiences develop.

### NEW PLAYGROUND MARKINGS

We're very excited to let you know that an activity trail will soon be marked out on the large tarmac area next to the hall and KS1 block. This space is currently underused, so we believe the new markings will be a fantastic addition for the children—

encouraging active play and making the area much more engaging. We're very grateful to local housebuilder **Dandara**, who have generously donated **£500** towards the project. The remaining cost will be covered using funds left over from last year's sponsored Mini Marathon.

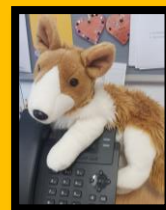

### Y6 SPORTS AMBASSADORS REPORT

On Friday 2nd May, KS2 took part in a half-court singles tennis tournament at Stebbing Tennis Club. They represented our school excellently. Year 3 placed 4th, year 4 and 5 both placed 2nd. Participants were: Honour M, James F, Jack R, Maddie G, Theo H, Lauren B, Finn R, Aoife R, Eliza B, Charlotte H, William P and Oscar H, playing against seven other teams. A quote from Oscar H (year 5) 'Everyone tried extremely hard and showed excellent sportsmanship.'
