### CHERRY TREE

It has been a real pleasure meeting our new starters in Cherry Tree. The children are now in school full time and have already begun to settle in beautifully. They are quickly learning our school values of *Be Kind, Be Respectful and Be Safe*, and we are so proud of the positive start they have made.

A very warm welcome to all of our new children, and also to their parents and carers. We look forward to working in partnership with you and to sharing in the exciting learning and experiences ahead this year.

### PE UPDATE

As you may be aware, we are focusing on developing our PE provision this year, particularly around competitions and inter-school events. With this in mind, we thought it would be helpful to provide you with a termly

update about all of our PE events at the end of each term. Mrs Campbell will be putting together a special PE newsletter so that you can keep up to date with everything happening in PE. The first edition will be shared at the end of this term, and we hope you find it both useful and enjoyable.

It was wonderful to see so many parents at this week's session. We enjoyed lots of positive discussions (and plenty of biscuits too!). We were also very pleased to be joined by **Helen Bird from Mind**, who shared details of the support she will be offering our school. The SEND coffee morning dates for this year have

already been sent out, but here's a reminder in case you missed them and would like to join us for the next one:

- **Tuesday 4th February**
- **Tuesday 22nd April**
- 

We look forward to seeing you there!

## Good Beginnings – Autism Information Course for Early Years Parents and Carers

Good Beginnings is an 8-week course for parents and carers of under 5's all about understanding autism. Dates are available to book for the spring and summer terms in Rochford, Braintree, Witham, Colchester, and online. Parents can join the course to meet other parents, learn about autism, and chat to professionals from education and health. Book a place via the [Essex Local Offer](#) website.

### ONLINE SAFETY- GROUP CHATS

We have sent out with the flyer a 2 page leaflet which has been created after consultation with the Childnet Youth Advisory Board and Digital Champions. Designed to provide parents and carers with everything they need to know about the topic of group chats, it includes insights

on:

- key terms and what group chats are,
- the positives and negatives of young people participating in group chats,
- strategies young people are already using to manage their experiences online,
- advice for supporting children of different ages with group chats.

This resource can be downloaded and read on a device, or printed. We hope you will find this useful.
