Friday Flyer

11/7/2025

Thank you to all our parents for your support during this event. We really appreciated your patience as we waited to confirm it was safe to go ahead.

The children had a fantastic afternoon, despite the heat, and it was a lovely way to end the week. Looking ahead, we've scheduled next year's Sports Day just before the May half term in the hope of avoiding the hotter weather.

We're sure the children will sleep well tonight!

CAR PARK UPDATE

We met with the developers last week to discuss plans for our new entrance and car park. The work is scheduled to be completed over the summer break, which will help minimise disruption for everyone.

We've been assured that the new entrance will be ready for September. Once it is complete, all children will enter and exit the school through the new entrance, and the current front gate will no longer be in use.

We hope this change will make drop-offs and pick-ups much less stressful for parents who need to drive, while also providing a safer entry point for all.

Closer to the time, we will send out an email with full details to ensure everyone knows what to do in September

HOME/SCHOOL AGREEMENT

As part of the work we've been doing around our school values, we're looking to update our Home/School Agreement. We believe that input from parents is incredibly valuable in shaping this document to reflect our shared expectations and support for pupils. To help with this, we would like to set up a small working group made up of children, staff, parents, and governors to discuss and develop the updated agreement. If this is something you might be interested in getting involved with, please complete the short survey [Home/School working party](#)

This is something we'll be looking at in the autumn term, so there's plenty of time to get some dates in the diary. We'd really appreciate your involvement.

SPORTS COACHING

Next year we will continue with sports coaching as part of our PE offer. Super Star Sports will teach the children in Key Stage 2 once a week. We are also pleased to let you know that Ollie Clark will be teaching PE once a week for our

Reception, Y1 and 2 children. Although Ollie came in to teach tennis he is able to offer PE coaching across the board and is looking forward to his sessions with the children.

ANNUAL REPORTS – FRIDAY 11TH JULY

You will receive your child's annual report later today, which will include information about their progress and achievements this year. There will also be an overview of your child's attendance this year. If your child has completed statutory assessments such as the Year 1 Phonics Screening Check, Year 4

Multiplication Tables Check, or Year 6 SATs, their results will be included. As with last year, these will be sent electronically.

SUMMER ACTIVITY FOR PRIMARY CHILDREN

Story Garden, Summer Reading Challenge 2025, launches in all Essex Libraries on **Saturday 19 July** and runs until **Saturday 6 September**.

Children of all ages can join in, the challenge is

to read six books or do reading-related activities and they'll collect a sticker for each achievement. Children completing the activity also get a medal and certificate. As well as being great fun, it can also help prevent a reading dip over the long summer break.

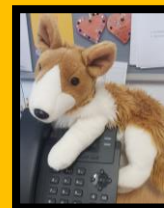

NO STAY AND PLAY

Please note that there will be no Stay and Play sessions this week or next. Sessions will resume when we return in September.
