SPORTS WEEK

As we gear up for our exciting Sports Week at Felsted Primary from **20th to 24th October**, I'm reaching out to ask for your assistance in running various sporting activities. This is a wonderful opportunity for our children to engage in different sports, develop their skills, and most importantly, have a great time. If you have a passion for

sport and would like to contribute in leading a sporting activity that you are passionate about, we would love to have your support!

Perhaps you are an avid hockey player or are enthusiastic about sports such as football, cricket, tennis, athletics, yoga or another sport you think our children would enjoy trying out, we would love to hear from you! Whether you can spare an hour or whole morning, your involvement would mean so much to our children and help foster a spirit of teamwork and fun.

Please complete the form below to let us know if you are able to help. **The form will close at 5pm on 3rd October.** We will then be in contact to confirm and finalise details of activities.

SUPPORT FOR PARENTS

With thousands of children turning to Childline for anger issues support each year it's understandable to worry about what's happening and why. This page is here to help you find ideas you can try to help you cope. The information has been put together for

parents by a team of experts. I hope you will find it useful.

PARENT CONSULTATION/ONE PLAN MEETINGS

Thank you to those of you who have already booked your meeting times. Being able to book these through Arbor has worked well apart from a few minor issues, which Mrs Turney has been fantastic at sorting out! Please do get in touch if you have not been able to book a slot and we will see if we can help.

money for the school.

The Halloween Disco is on **23rd October** after school for Y1-6. Tickets are available in advance on SumUp. Click here to book [FPS SumUp](#) Please see poster attached for more details.

We have received lots of helpful feedback and will be updating our homework policy following further discussion at the SLT coffee morning. We would love to see you there if you have any ideas or suggestions you'd like us to consider.

We appreciate that homework can be a tricky area as every family's situation and time constraints are different. Our aim is for homework to be something that supports learning without adding unnecessary pressure—something available to use if and when you have the time.

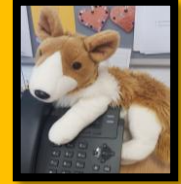

HARVEST CELEBRATION

What a wonderful harvest celebration assembly we had yesterday. Laurel tree did a presentation about the important role of food banks in supporting families in times of crisis. The other classes have been busy preparing harvest songs to share with the school as we thought about being thankful for the food and good things that we enjoy. Thank you to all of our families who so kindly brought in donations for the Uttlesford food bank. These donations will be collected today and will make a huge difference to families in the local area who are in need of support at this time.
