PARENT REPRESENTATIVES GROUP

We had our first meeting of this academic year on Tuesday and it was very positive and helpful. Hopefully the notes from the meeting have been shared with you. I would like to thank the parents who give up their time for this. We will continue to meet each half term and updates will be sent out after each meeting. We are still looking for a rep for Cherry Tree so if you are interested please email me

on head@felsted-pri.essex.sch.uk

HEALTHY CHOICES

As a school we do what we can to support the children with developing healthy practices. Our Whole school Food Policy sets out what children are able to have to eat and drink while in school. One of the things we ask is that children are provided with water throughout the day. This was a discussion point in the Parent Rep meeting and all agreed water was the healthiest choice and as a school we should continue with this policy. I would ask parents if they have individual concerns around children not drinking enough to let class teachers know so that we can encourage and monitor this. If children bring flavoured water to school we will offer plain water in its place.

COSTUME SWAPS/DONATIONS

Here is the link to a new costume swap/donation Facebook group. [FPS Facebook group - Costumes](#)

Parents came up with this idea during the parent rep meeting in the hope to provide an easy place for our school community to share and swap costumes amongst ourselves.

We all know how fast our children outgrow their costumes, leaving us with outfits that no longer have a purpose or that fit. To tackle this, parents have established this group in the hope to promote sustainability, create a more budget-friendly approach and to generally just help each other out!

Hope to See you there!
