WELLBEING

We recently applied for, and received, some grant money from the Healthy Schools Team. A little of this has gone towards access to the website and learning platform 'The Good Morning Club.' Here you will find resources that

support children and adults feeling better in day-to-day life. There are lots of strategies that parents and children can use to help with self-regulation which are all based on research. There is no expectation for anyone to use these resources but they are available for all parents through the parent portal. If you would like to have a look at these, please use this link: [The Good Morning Club](#) You can create your own account and you are free to use the resources as you wish. We would welcome any feedback.

Alien assistance to understand money for primary schools

BBC Bitesize Primary has launched [Space Shoppers Money Funfair](#), a new game to help KS1 pupils get to grips with using money. It features aliens who have landed on earth at the Money Funfair and need help to learn how

humans use money. Space Shoppers Money Funfair helps pupils to learn about the value of different coins, recognising the symbols for pounds and pence, combining coins and notes, giving change, plus lots more.

Online safety - The 2 Johns session for all schools

FREE SUPPORT FOR PARENTS

Non Violent Resistance is a practical therapeutic approach to managing challenging behaviour in children and teens, without shouting, punishment, or confrontation. Instead of responding with anger or strict discipline, it focuses on staying calm, consistent, and supportive. Kids Inspire is accepting referrals from schools to support any parent or carer who they believe may benefit. Parent groups are online and run for ten weeks. [click here to find out more](#)

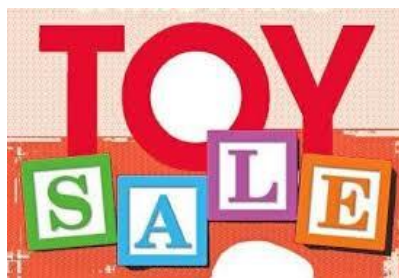

A huge thank-you to everyone who supported the Halloween Disco. It was a great success and the children all enjoyed it - the costumes were great! We have raised over £560 for the school which is amazing so thank you all!

We're looking forward to seeing you all at the fireworks tonight - it's going to be a great family friendly event for the whole community. ☀️ Wrap up warm!

Please join us if you can for the PTFA meeting in the school hall on **Wednesday 12th November at 2.30pm.**
