PLEASE CHECK YOUR SPAM/JUNK FOLDER

Due to recent Microsoft email service issues, some parents have reported that school emails are being filtered into spam or junk folders. If you are awaiting communication from the school, please check these folders and mark any school emails as "Not Junk" or "Not Spam". Adding the school email address to your contacts or safe senders list may also help ensure future emails are delivered to your inbox. Thank you.

PARENT CAR PARK

We would like to remind all parents and carers to be considerate when using the school car park.

The car park can be a busy area at drop-off and collection times, and the safety of our children, families and staff is our shared responsibility. Children should **not** be playing, running or riding scooters/bikes in the car park at any time.

Please also ensure that the **5 mph speed limit** is adhered to at all times and that vehicles are driven with care and consideration for others. We have received reports of some inconsiderate driving, and we are keen to address this before it results in an accident, injury or damage to a vehicle.

Thank you for your cooperation and support in helping to keep our school community safe.

CURRICULUM SPOTLIGHT

This term, children have been immersed in a range of exciting learning opportunities across the curriculum. From practical investigations in science to developing their writing across different genres, pupils have shown enthusiasm and resilience in their learning. Ask your child about their favourite lesson this term and what they have enjoyed learning most.

A huge thank you to everyone who has supported our Amazon Wishlist so far. We have recently updated the list with a range of new resources that will directly benefit the children across the school. If you would like to support us, any contribution, big or small, is greatly appreciated and helps us continue to enhance our learning environments and experiences. Items can be purchased and sent directly to the school through our wishlist. Thank you for your continued generosity and support. Here is the link – please share far and wide!

DID YOU KNOW?

Since September, our pupils have collectively read thousands of pages, taken part in numerous sporting activities, and represented the school brilliantly both in and out of the classroom. We are incredibly proud of their enthusiasm, kindness and achievements.

STAFF DEVELOPMENT

Our staff continue to engage in high-quality professional development. This term's training has included safeguarding updates, curriculum development, adaptive teaching strategies, reading, SEND provision and supporting pupil wellbeing. Investing in staff development ensures that pupils benefit from the latest educational research and best practice.

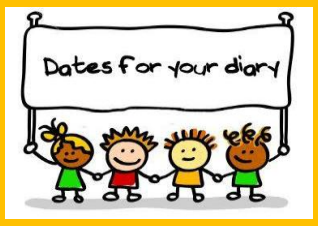

ENRICHMENT CONTRIBUTION SURVEY

Thank you to everyone who has already completed our Enrichment Contribution Survey. Your feedback will play an important role in ensuring our approach is fair, transparent and sustainable, while continuing to provide a wide range of valuable experiences for our children.
The survey is now closed, and we would like to thank all those who took the time to share their views. The results of the survey, along with an opportunity for open discussion, will be presented at the **Parent Forum** on **Friday 27 November at 2:30pm**. We hope as many parents as possible will be able to attend and contribute to this important conversation.
