NATIVITY

I am sure you are all aware that our younger children are already rehearsing for this year's nativity. Hopefully you will also have seen that you can sign up to get tickets for one of the dates on Tapestry. **Please book your tickets ASAP as they are going fast!**

CAROL CONCERT

Key Stage Two children have also started working on songs in readiness for the Carol Concert which is held at the Holy Cross Church in Felsted. This takes place on the **17th December at 1.45** and parents/grandparents are all welcome to attend. Doors will open at 1.30pm. All welcome and no need for a ticket. There is no limit on the number of people who can attend per child. We expect the concert to last about an hour.

BIKEABILITY

Next week some of our Y6 children will be taking part in Bikeability. Bikeability cycle training equips children with vital life skills. Pupils not only learn to cycle, they gain independence, social skills and a sense of wellbeing.

After Bikeability, children are better at responding to risk and report increased confidence. As a result, more children cycle to school which in turn improves mental health and wellbeing. This allows children to get more out of the classroom, improving their attention span and engagement. Healthier habits lead to increased attendance and improved academic results.

ANTI BULLYING WEEK

This week it has been very positive to see lots of work linked to anti bullying. The children have all been talking about the theme 'choose respect' in their classes. It was great to see so many wonderful odd socks and this got the children thinking about differences and how we can make sure everyone feels welcome.
