ENRICHMENT

Many thanks to those parents who gave some very valuable feedback on the rising cost of enrichment money. We have discussed this as a staff and will be reducing this significantly for Y1-6 next year. We are aware of the families that may have difficulty finding this so will be sensitive to that. The money is used to buy all sorts of additional extras like ingredients for cooking, special art supplies, party food etc. Please do ask class teachers if you would like more detail on how this is spent. At the end of each year whatever is left is passed up with the children to the next class.

SAVE THE DATE- Friday 3rd November
